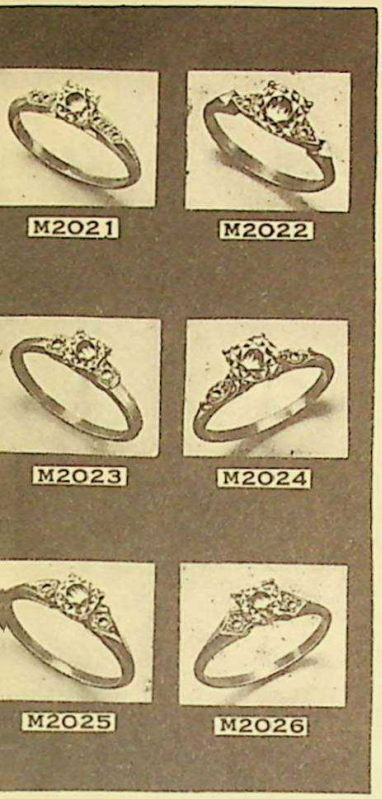
Diamond Engagement and Wedding Rings



Diamond Classifications

A Quality

Slightly Imperfect. Good in color and cutting. Well proportioned and brilliant.

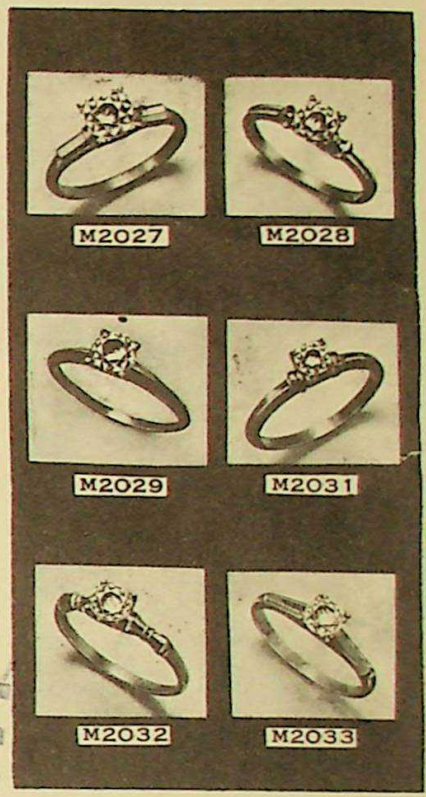
AA Quality

Almost Perfect, or often called "Commercially Perfect." Fine color, cutting and brilliancy.

AAA Quality

Guaranteed Absolutely Perfect. Fine Blue White Color, finest cutting, giving greatest possible brilliancy.

It may Sometimes be Necessary to Send a Diamond Weighing a Fraction more or less than one ordered. Prices Charged Accordingly.



OUR DIAMOND GUARANTEE

Only by the greatest care in the choice of each stone is it possible to furnish such quality combined with such low price.

Full purchase price will be refunded on any Diamond returned within ten days from invoice date.

Mountings Can Be Furnished for Any Size Diamond on Special Order.

Wedding rings to match any of the above engagement settings, with diamonds or plain bands.

When writing for prices on rings with diamonds it is necessary to mention setting number, size and quality of centre stone required.

Mountings for diamond rings furnished in platinum; 14K yellow gold with platinum top or all 14K yellow gold.

★

Before long it will be impossible to secure many items that have up to a few months ago been only moderately effected by the War Production Board rulings.

These are far from normal times and we cannot foresee the future. We recommend that you seriously consider purchasng now the necessary articles that you need. Invariably production will be curtailed entirely by manufacturers very shortly.

In view of the present unsettled conditions you may be assured that all our efforts to expedite orders are in your behalf.

Delivery on merchandise consisting of materials vital to military use are subject to any Government rulings already in effect or which may be promulgated in the future.
